### STANDARD CONTRACT TERMS FOR MERCHANDISE WAREHOUSE RECEIPT

#### ACCEPTANCE- Sec. 1.

(a) This receipt, which includes the front page hereof and rate quotation, including accessorial charges, endorsed on or attached hereto (collectively "Receipt") must be accepted within 30 days from the proposal day designated by Warehouseman, by signature of Depositor on the reverse side of this Receipt. In the absence of a written acceptance, the act of tendering goods described herein for storage or other services by Warehouseman within 30 days from such proposal date shall constitute such acceptance by Depositor.

(b) In the event that goods tendered for storage or other services do not conform to the description contained herein, or conforming goods are tendered after 30 days from the proposal date without prior written acceptance by Depositor as provided in paragraph (a) of this section, Warehouseman may refuse to accept such goods. If Warehouseman accepts such goods, Depositor agrees to rates and charges as may be assigned and invoiced by Warehouseman, and to all terms of this Receipt.

#### SHIPPING-Sec. 2.

Depositor agrees not to ship goods to Warehouseman as the named consignee. If, in violation of this agreement, goods are shipped to Warehouseman as the named consignee, Depositor agrees to notify the carrier in writing prior to such shipment (and give a copy of such notice to Warehouseman), that Warehouseman named as consignee is a Warehouseman and has no beneficial title or interest in such property and Depositor further agrees to indemnify and hold harmless Warehouseman from any and all claims for unpaid transportation charges, including undercharges, demurrage, detention or other charges of any nature, in connection with goods so shipped. Depositor further agrees that, if it fails to notify the carrier as required by the next preceding sentence, Warehouseman shall have the right to refuse such goods and shall not be liable or responsible for any loss, injury or damage of any nature to or, in any way related to, such goods. Depositor agrees that all agreements contained in this section will be binding on Depositor's heirs, successors and assigns, as applicable.

#### TENDER FOR STORAGE-Sec. 3.

(a) All goods for storage shall be delivered to the warehouse at the location set forth on the front page hereof, properly marked and packaged for handling. The Depositor shall furnish at or prior to such delivery, a manifest showing marks, brands or sizes to be kept and accounted for separately, and the class of storage and other services desired.

(b) Receipt and delivery of all or any units of a lot shall be made without subsequent sorting except by special arrangement and subject to a charge.

(c) Unless Depositor shall have given, at or prior to delivery of the goods, written instructions to the contrary, Warehouseman, in its discretion, may commingle and store in bulk different lots of fungible goods, whether or not owned by the same depositor.

(d) Warehouseman shall be responsible for segregating goods by lot code as indicated on the outer case and in the receiving documents.

#### STORAGE PERIOD AND CHARGES - Sec. 4.

(a) All charges for storage are per package or other agreed unit per month as set forth on the front page hereof.

(b) Storage charges become applicable upon the date that Warehouseman accepts care, custody and control of the goods, regardless of unloading date or date of issue of this Receipt.

(c) All storage charges are due and payable on the first day of storage for the initial month and thereafter on the first day of each calendar month.

(d) When mutually agree to by Warehouseman and Depositor, a storage month shall extend from a date in one calendar month to but not including the same date of the next and all succeeding months and all storage charges shall be due and payable on the first day of the storage month.

#### TRANSFER, TERMINATION OF STORAGE, REMOVAL OF GOODS - Sec. 5.

(a) Instructions to transfer goods on the books of Warehouseman are not effective until delivered to and accepted by Warehouseman in writing and all charges up to the time such transfer is made are chargeable to Depositor. If a transfer involves rehandling the goods, such rehandling will be subject to a charge. When goods in storage are transferred from one party to another through issuance of a new warehouse receipt a new storage date shall be established on the date of transfer.

(b) Warehouseman reserves the right to move, at his expense, and upon notice to and approval by Depositor (which approval shall not be unreasonably withheld), any goods in storage from the warehouse in which they may be stored

① JAC 8/23/06

## WAREHOUSE CONTRACT

to any other of his warehouses, but if such Depositor or holder takes delivery of his goods in lieu of transfer, no storage charge shall be made for the current storage month.

The Warehouseman may, without notice, move goods within the warehouse in which they are stored.

(c) Warehouseman may, upon written notice to Depositor and any other person known by Warehouseman to claim an interest in the goods, require the removal of any goods by the end of the one hundred twenty (120) day period immediately following such notice. Such notice shall be given to the last known place of business or abode of the person to be notified. If such goods are not removed before the end of the applicable one hundred twenty (120) day period, the Warehouseman may sell them in accordance with applicable law.

(d) If as a result of a quality or condition of the goods of which Warehouseman had no notice at the time of deposit, such goods are a hazard to other property, Warehouseman's warehouse or to any person's, Warehouseman may sell the goods at public or private sale without advertisement on reasonable notification to all persons known to claim an interest in the goods. If Warehouseman after a reasonable effort is unable to sell the goods he may dispose of them in any lawful manner and shall incur no liability by reason of such disposition.

### DELIVERY REQUIREMENTS - Sec. 7.

(a) No goods shall be delivered or transferred except upon receipt by Warehouseman of complete instructions properly signed by Depositor. However, when no negotiable receipt is outstanding, goods may be delivered upon instructions by telephone in accordance with a prior written authorization but Warehouseman shall not be responsible for loss or error occasioned thereby.

(b) When a negotiable receipt has been issued no goods covered by that receipt shall be delivered or transferred on the books of Warehouseman, unless the receipt, properly endorsed, is surrendered for cancellation or for endorsement of partial delivery thereon or, in the sole discretion of Warehouseman, if Warehouseman has received a written statement from Depositor holding Warehouseman harmless from any and all claims of others asserting a superior right to Depositor, to possession of such goods. If a negotiable receipt is lost or destroyed, delivery of goods may be made only upon order of a court of competent jurisdiction and the posting of security approved by the court as provided by law.

(c) When goods are ordered out, a reasonable time shall be given Warehouseman to carry out instructions, and a minimum of ten (10) days to locate any misplaced goods. If Warehouseman is unable because of acts of God, war, public enemies, seizure under legal process, strikes, lockouts, riots and civil commotions, any reason beyond the Warehouseman's control, loss or destruction of goods for which Warehouseman is not liable, or any other excuse provided by law, Warehouseman shall not be liable for failure to carry out such instructions and goods remaining in storage will continue to be subject to regular storage charges. All instructions and requests for delivery of goods and transfer of title are received subject to satisfaction of all charges, liens and security interests of Warehouseman with respect to the goods whether for accrued charges or otherwise.

(d) Warehouseman may require, as a condition precedent to delivery of the goods from Warehouseman to Depositor, a statement from Depositor, a statement from Depositor holding Warehouseman harmless from claims of others asserting a superior right to Depositor to possession of the goods. Nothing herein shall preclude Warehouseman from exercising any other remedy available to it under the law.
